ALLERGY TESTING AGREEMENT

Suburban Ear, Nose and Throat Associates is pleased to offer allergy testing to our patients. In order to perform your testing, our professional staff and equipment must be scheduled in advance. We are committed to obtaining high quality information so a two-hour minimum time block will be reserved for your testing.

If you are scheduled for allergy testing and cannot keep your appointment, please notify our office at least 24 hours in advance. During office hours, please contact us at 847-259-2530 to cancel your appointment. After hours, you can notify our answering service at the same number. We will be glad to reschedule your appointment at a more convenient time.

Should you fail to notify us, a \$100 missed appointment fee will be added to your account. This fee is not billable to your insurance company, and payment will be due upon receipt of the first statement on which the charge appears.

Please review, sign and date the statement below.

I agree to the terms and conditions set forth above and accept responsibility for payment of the "missed appointment fee" and any costs of collections associated with Suburban Ear, Nose and Throat Associates, Ltd. efforts to recover the amount due.
